ORPHAN PROJECT

# Christmas Appeal

## Why not give a gift to a family in Zambia this Christmas?

Last year we were able  
to give a bucket and  
sack of soya to each of  
our families who were  
overjoyed with the gifts.

The bucket will be used  
for carrying water and  
the contents include  
food items and toiletries.  
**Total cost for one = £15**

You can **donate any amount** to help us give each  
family in the project a bucket of blessings to help them  
start the new year and have essentials they need.
